

# How it Works

Quickly get started. Get up and running, walking or cycling in less than 24 hours.

Schedule an event.

Select up to a month long period.

Recruit Participants by sharing the event signup page on fitRaise.com

PayPal Pre-Approves the donor's account for the maximum donation they select.

Donors select a pledge per mile minimum donation & maximum donation in support of the participant

Participants Sign up and Create their Donation Page to share with donors.

Participants Download the FREE fitRaise mobile app. Available for iPhone and Android devices.

Participants can run, walk, or cycle anytime, anywhere and as often as they want logging miles and earning donations with the fitRaise app.

The final donations are calculated and processed. PayPal sends funds directly to the organization.
